25X1 10. [] Hand carried to George Murphy, on
the staff of the Joint Committee on Atomic Energy, []
25X1 [] statements from Rumanian sources regarding
the United States and North Vietnam. I advised Murphy that the material
he had requested on Rumanian aid to North Vietnam should be available
by Friday.

25X1 11. [] Met briefly with Bill Lewis, Executive
Assistant to Senator Margaret Chase Smith, by way of follow up to the
Senator's question about the Pueblo in my meeting with her 17 May. I
told Lewis the term dismantling which has been used with reference to
North Korean activity on the Pueblo was misleading. Actually it appears
that they are disassembling the antenna and certain other equipment on
the ship for technical inspection.
